INFORMATION DISCLOSURE STATEMENT

Applicants submit the references listed on the enclosed Form PTO-1449, copies of which are enclosed. A copy of a communication from a foreign patent office in a counterpart application is also enclosed.

Submission of this statement is not a representation that a search has been made, nor is the inclusion of information in this statement an admission that the information is material to patentability.

This statement is being filed before the receipt of a first Office action on the merits. It is also being filed within three months of the mailing date of a foreign search report for a corresponding international application.

Applicants note that an Information Disclosure Statement and a Form PTO-1449 were filed in this case on January 9, 2004, and that they have not yet received an initialed copy of the Form PTO-1449. Applicants thus request an initialed copy of the Form PTO-1449.

If there are any charges or any credits, please apply them to Deposit Account No. 03-2095.

Respectfully submitted,
